

Supporting Parents and Carers

Sub C Divers aims to support parents and carers of our junior members by:

- Helping young snorkellers and divers develop confidence in and around the water
- Encouraging and guiding junior members to accept responsibility for their own behaviour
- Educating them to adopt safe practices in and around the locations where we practise or undertake our sport
- Ensuring they gain an understanding of the importance of the correct use of equipment
- Setting a good example by recognising effort and applauding skill progression
- Understanding that there will be times when our younger members will become anxious or may lose interest
- Not tolerating bullying, abusive or belittling behaviour or language
- Supporting your child's involvement in and help them to enjoy their time as a club member
- Giving reasons for actions whenever required
